MEMORANDUM FOR: Director, National Foreign Assessment Center  
FROM: Director of Central Intelligence  
SUBJECT: Saudi and Zambian Military Orders of Battle

1. I would appreciate a short memo on the Saudi Armed Forces order of battle and a general appreciation of their capabilities. The question comes up from time to time: Would they be willing and able to help out in Somalia? What do we think of their capability, setting aside the political issue of whether or not they would do so?

2. I would also appreciate an evaluation of the Zambian military order of battle. How does the Zambian National Army stack up with the Zapu Army in the same country?
